

# Percent Composition Worksheet

PART 2. Find the percent composition of each element in the compounds below.

## 1. copper(II) bromide

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 2. sodium hydroxide

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 3. chromium(II) fluoride

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 4. ammonium sulfide

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 5. zinc phosphate

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 6. potassium iodide

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 7. lithium phosphide

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass

## 8. aluminum sulfate

Step 1: Chemical Formula

Step 3: % Composition Formula

Step 2: Molar Mass
